

Dear John O'Brien & the Wildwood Team:

From the bottom of our hearts, we would like to thank you for the most amazing catering at our wedding in August. We still are hearing compliments about the food being the best meal anyone has ever had. John, you and your team are a very special group of people. From the very beginning, we felt like you would go above and beyond - and you did exactly that. On our wedding day, we didn't have to worry about any detail and just enjoyed ourselves.

Thank you so much for the outstanding service and making sure we all enjoyed an incredible feast. You sure do know how to plan events! (+ the Betterton Love Jacqueline & Brent Woodruff (Woodruff Families)
